

## ADVERTS – HORSES

### **FOR LOAN OR POSSIBLE SALE** [19.05.2017]

16.2 ISH gelding young 19 years. He is a perfect dressage schoolmaster...5th in the Pony Club nationals 2016 with a slight 13 year old girl who also competed him very successfully at ODE 90 always with a dressage score in the low 20's and double clears. He unfortunately sustained a low grade aproximal strain and had some time off.

He has been back in work since January and was signed off by Liphook Equine Hospital in March. He is at present lightly schooling/hacking 3/4 times per week and would happily work to elementary when a bit fitter. At the present moment I do not wish for him to jump but that would be open to discussion in the future. He is the easiest boy to live with..., boxes lorry/trailer without question, 100% to do in all respects farrier, clip, catch etc etc. He was dressage and ODE champion with Chiddingfold PC last year. 5\* star home only...excellent references given for him and required from any prospective home. He is not as light of bone as appears in the photograph. Any questions honestly answered. Seen Haslemere.
